He Zhe is Principal and Founding Partner of PAO/PIDO. Originally from Jinhua, China, He Zhe is a Registered Architect in China. He has a Bachelor in Architecture and received his Master of Urbanism from Xi'an University of Architecture and Technology.

People's Architecture Office (PAO) is an international practice with offices based in Beijing, China and Boston, USA. Founded in 2010 by James Shen, He Zhe, and Zang Feng, the firm is a multi-disciplinary studio focused on social impact through design particularly in the areas of housing, urban regeneration, and education.

People's Architecture Office is the first architecture firm certified as a B-Corporation in Asia and serves as a model social enterprise.

Topic: Urban Interventions

"Urban Interventions" is the main attitude and method of the Peoples' Architecture Office in the practice of urban renewal. Four design strategies of "Urban Intervention", plug-in micro-updates, temporary and mobility, interaction between people and environment, and the utilization of ready-made, are used to analyze six projects of different types.

何哲先生

眾建築創始合夥人 / 主持建築師

眾建築/眾產品聯合創始人、主持建築師。出生於浙江金華，國家一級註冊建築師，西安建築科技大學城市規劃與設計碩士。

眾建築由何哲、沈海恩和臧峰於2010年創立，分別於北京和波士頓設有辦公室。我們以“設計為大眾”為原則，在教育，辦公、居住和城市更新等領域，通過城市、建築、產品等多學科交叉的創新設計方式實現社會影響力。眾建築是亞洲首家獲得B Corp認證的建築設計機構，成為社會創新的一個範本。

題目：介入城市

通過“介入城市”的概念來闡釋眾建築在城市更新實踐中的態度和方法，並從外掛程式式微更新、臨時和可移動、人和環境互動以及現成品利用這四個“介入城市”的設計策略來梳理分析眾建築的六個不同類型的設計專案。
